ERRATUM

To the Commission:

In his 472-479 kHz Informal Request, the undersigned commenter/requester incorrectly stated the prayer for relief as follows...

“WHEREFORE, the foregoing considered, the undersigned strongly and affirmatively recommends the Commission reallocate 1900-2000 kHz to the amateur radio service on a primary basis.”

The undersigned requests the foregoing be struck from his informal request and comments in that particular informal request, and instead thereof, the following be substituted...

WHEREFORE, the foregoing considered, the undersigned requests allocation of 472-479 kHz to the Amateur Radio Service on a secondary basis on the terms and conditions mentioned in his informal request and comments.

Respectfully Submitted:
